

What Do I Know?

Saga

You were once my vice
Now you're just like ice
So cold and too cool
You know how to hypnotize
You wear a great disguise
I've learned to see through
[Chorus]
What do I know
What do I know
I'm confused by things that you do
What do I know
What do I know
I can't stop thinking about you
I don't see wrong from right
But I could see the light
Stopped shining in you
And on a distant night
You went and lost the fight
That made me look up to you
[Repeat Chorus]
[Repeat Chorus]
What did you change for
[Repeat Chorus]
What did you change for
No one could give you more
