

## Go Somewhere

Sage the Gemini

Excuse me? I know you don't care  
I saw you from across the room  
And I just wanna say I like your hair  
Maybe some time we can  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey

Yeah, excuse my manners  
I just wanna, I just wanna do it on camera  
Where you wanna go baby we could go anywhere?  
And if I already late then I'm gonna send you there  
I got a pocket that has nothing but some Benjamins  
You so sweet you should change your name to Cinnamon  
I be making dividends in hella different states  
These niggas out of line Imma put them in place  
Real good organization  
Heartbreak gang we are more than a nation  
these babies, I ain't feeling these  
They like a letter then I'm these

Excuse me? I know you don't care  
I saw you from across the room  
And I just wanna say I like your hair  
Maybe some time we can  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey

Go go somewhere tear down the wall  
Got the number for your drawers making bootycalls  
Girl I'm just playing  
Gotta get like Jeff and get married I'm saying, yeah  
Money to the max just went up the bank  
Got me in the clouds without the plane  
Imagine us living life out in maine  
HBK gang yeah we here to stay  
A real one need a real one  
Chasing you girl thats a real run  
With me you gonna have some good times  
So if you lose him no I ain't a rerun

Excuse me? I know you don't care  
I saw you from across the room  
And I just wanna say I like your hair

Maybe some time we can  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey

Excuse me? I know you don't care  
I saw you from across the room  
And I just wanna say I like your hair  
Maybe some time we can  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey  
Go somewhere? Hey
