

# Christmas Under The Clouds

Said the Whale

Same time each year  
Families gather in comfort  
Safe from the cold

It's a rare thing  
On an open fire  
Chestnuts are roasting and making  
Air feel like holidays  
It's not the same  
'Cause I'm so lost

Here comes the rain  
Must be Christmas again  
On the West Coast

Here we don't get snow  
But the rain is just as cold  
When it's Christmas, you're alone

I saw these hiding out  
The lights on their family house  
Lovers holding hands  
Children make it so tough

I hit the bottle twice as hard  
'Cause it's Christmas and I'm lonely  
And it's cold out, could you phone me?  
That was so hard

Here comes the ice  
Yeah, it's Christmas, alright  
It's getting dark now  
4 O'clock now

If I can have just one thing  
Under my tree  
It'd be you on my boat  
Sailing with me  
Find an island in the sun

Have yourself a merry little Christmas,  
Let your heart be light  
From now on,  
Our troubles will be out of sight

Have yourself a merry little Christmas,  
Make the Yule-tide gay,  
From now on,  
Our troubles will be miles away.

Have yourself a merry little Christmas,  
Let your heart be light  
From now on,  
Our troubles will be out of sight

Have yourself a merry little Christmas,  
Make the Yule-tide gay,

From now on,  
Our troubles will be miles away.
