

## O Alexandra

Said the Whale

Oh Alexandra  
So completely undeniable  
So completely beautiful  
You teach me to sing again  
So sweetly I will sing for you  
If you let me in.

Alexandra  
When you wake up  
Wear your morning crown  
No make up  
Beautiful  
You teach me to love again  
So deeply I will fall for you  
If you let me

Oh Alexandra  
When you give up  
Bear your only heart  
No regrets  
Beautiful  
You teach me  
Whole again  
So sweetly I will be with you  
If you let me in

Alexandra  
When you wake up.
