

## Down by the Ocean

Saigon Kick

Down by the ocean  
Where The little girl's play  
Down by the ocean  
Where The little girl's play

Sweet Larissa wants candy  
Johnny wants her to stay  
Sweet Larissa wants Johnny  
But Johnny thinks he's gay

Time's always changing  
And I don't know what to say  
Same old story  
Just a different day

Upstairs, turn right , take a look  
Around  
Your momma's not at home  
Johnny's got a need Johnny's got a  
Needle  
Johnny feels at home

Time's always changing  
And I don't know what to say  
Same old story  
Just a different day  
Said it's just a just a different day

Down by the ocean  
Where The little girl's play  
Down by the ocean  
Where The little girl's play

Sweet Larissa wants candy  
Johnny wants her to stay  
Sweet Larissa wants Johnny  
But Johnny thinks he's gay

Time's always changing  
And I don't know what to say  
Same old story  
Just a different day
