Down by the ocean Where The little girl's play Down by the ocean Where The little girl's play

Sweet Larissa wants candy Johnny wants her to stay Sweet Larissa wants Johnny But Johnny thinks he's gay

Time's always changing
And I don't know what to say
Same old story
Just a different day

Upstairs, turn right , take a look Around Your momma's not at home Johnny's got a need Johnny's got a Needle Johnny feels at home

Time's always changing
And I don't know what to say
Same old story
Just a different day
Said it's just a just a different day

Down by the ocean
Where The little girl's play
Down by the ocean
Where The little girl's play

Sweet Larissa wants candy Johnny wants her to stay Sweet Larissa wants Johnny But Johnny thinks he's gay

Time's always changing
And I don't know what to say
Same old story
Just a different day
