Ugly, you want to be Suicidal, just like me Ugly want to be Suicidal

I saw god and he said to me
Take a family of four and make it three
Charlie ted and the son of sam
They all ate green eggs and ham

Ugly, you want to be Suicidal, just like me Ugly want to be Suicidal

I saw god and he said to me
Take a family of four and make it three
Charlie ted and the son of sam
They all ate green eggs and ham
