

# Water

## Saigon Kick

You and me  
You know we're never going to die  
Right or wrong  
It still won't mend a broken heart

And I don't mind  
The colors in your hair  
You don't see  
The water dancing with the dead

Pick it up again and realize  
I'm never coming home  
To lose it all again could capsize  
My vessel on its own

Off to be  
The one thing that I know I am  
Stand alone  
Beyond the reach of helping hands

Pick me up again and realize  
I know not what I do  
To lose it all again could capsize  
My vessel on its

Stop me from drinking the water  
In which I drown  
Hold me in darkness  
Beneath the water now

Water flows down  
Upon your face  
My love for you  
Won't die

Out in the ocean  
Far from any land  
Sail to emptiness  
The water's on my hands

Pick me up again, realize  
I know not what I do  
To lose it all again could capsize  
My vessel on its

Only the ones in the water  
Could be found  
Hold me in darkness  
Beneath the water now

Take me higher, take me, yeah  
Take me to the higher lands  
Take me, take me, yeah

Take me up to higher lands  
Higher lands, I go  
Take me up to higher lands

Higher lands, I go

Take me up to higher lands  
Higher lands, I go  
Take me up to higher lands  
Higher lands, I go

Take me up to higher lands  
Higher lands, I go  
Take me up to higher lands  
Higher lands, I go

Take me up to higher lands  
Higher lands, I go  
Take me up to higher lands  
Higher lands, I go  
Take me up to higher lands
