

## Keep Pushing

Saigon

I'd like to thank my collaborators  
You know, none of us are really singers, but we try  
My collaborators, DJ Corbett, the legendary Chamillionaire  
Let's have some fun with it y'all, c'mon

Cause I've been up, and I've been down  
And if it's one thing that I've found  
You gotta keep pushin baby  
I swear it feels like we almost made it  
We on the way up, yeah don't look down  
Cause we so high off the ground  
But you gotta keep pushin baby  
To the top, yeah we almost made it (ba-by)

Uhh, I relate more to struggle than to corks and the bubbles  
Your pain's never champagne when you always in trouble  
I'm at the dealership but I'm sellin these cars  
It's a result of collectin my second felony charge  
Watchin fellas get large spittin bullshit bars  
It's like a mirage, niggaz only write for the broad  
As far as I could recall, there was only one Todd  
One teacher, one king, one God that seen all  
Rookies they don't respect the sport - like they totally forgot  
Came second thought, they don't seem to reflect no more  
That's why they comin out soundin so similar  
It's quite confusin, for you to remember the  
originator, boy do I hate a fuckin perpetrator  
Hate a record label slave trader  
My story the recipe of a grown man  
Had to go put my destiny in my own hands, bam

I ain't emerge to tell ya how I splurge on the birds  
I don't give 'em nothin but words and still hit the curve  
then swerve, to another nerve, murder superb  
They heard that Giddy like they heard in the word  
33-and-a-third of what I spit is verbally as absurd  
Number 33-and-a-third is addictive as herb, ya heard?  
Come try and punk a nigga  
I'll run ya over, hit your head with the bumper sticker  
It's gon' take a month to fix ya  
I'm bein sincere when I say that you'll be in intensive care  
I don't think you really wanna visit there  
Flow water, words float like a motor boat  
Been there and done it dunny, I know the ropes, quote-unquote  
Front on me I'll go for broke, smoke with me it's toke for toke  
Joke with me I'm funny as Kevin Hart makin Oprah jokes  
Oops, I said "jokes" twice, but that's aight  
These motherfuckers know that I'm nice!
