

## Do It All

Saint Etienne

Right now I feel the need for some attention  
Been kicking my heels in need of some affection  
Been wasting so much time  
Now I'm looking out for number one  
I drank a little wine  
and I've only just begun  
but you never thought I'd call  
and i want to do it all now baby  
Last night I heard about your reputation  
Get over here and give me some explanation  
Been wasting so much time  
Now I'm looking out for number one  
I drank a little wine  
and I've only just begun  
but you never thought I'd call  
and I want to do it all now baby  
said I want to do it all  
I want to do it all
