

Dream Lover

Saint Etienne

You're a dream lo-o-o-over,
It's a deep ri-i-i-iver.
And the clock in the hallway,
It goes tick, tick, tickin' away, 'way
Ah, ah.
I, I'm gonna dream a little longer now.
In the late su-u-u-umer,
Could it be for-e-e-ever?
And I know that a phone call is going to,
Take, take, take me away, 'way.
Oh, oh.
I, I'm gonna dream a little longer now,
Bye, I've gotta dream a little longer now.
And the clock in the hallway,
It goes tick, tick, tickin' away, 'way.
Ah, ah,
I, I'm gonna dream a little longer now,
And I, I've gotta dream a little longer now.
I, I'm gonna dream a little longer now.
(I won't let you go)
