

## Dream Lover

Saint Etienne

You're a dream lo-o-o-over,  
It's a deep ri-i-i-iver.  
And the clock in the hallway,  
It goes tick, tick, tickin' away, 'way  
Ah, ah.  
I, I'm gonna dream a little longer now.  
In the late su-u-u-umer,  
Could it be for-e-e-ever?  
And I know that a phone call is going to,  
Take, take, take me away, 'way.  
Oh, oh.  
I, I'm gonna dream a little longer now,  
Bye, I've gotta dream a little longer now.  
And the clock in the hallway,  
It goes tick, tick, tickin' away, 'way.  
Ah, ah,  
I, I'm gonna dream a little longer now,  
And I, I've gotta dream a little longer now.  
I, I'm gonna dream a little longer now.  
(I won't let you go)
