Join Our Club

Saint Etienne

The chicken soup mix of 'Join our club' Join our club! Don't you worry 'bout a thing Teen spirit is the '90s scene I know you want to hold my hand I know you're going to love my band, yeah Join our club! (Do you believe in magic?) Join our club! (Do you believe in magic?) You should call us up tonight Our time, everything's alright There's gonna be a storm quite soon Get ready 'cause we're coming through, yeah Join our club! (Do you believe in magic?) Join our club! (Do you believe in magic?) Do you believe in magic? Do you believe in magic? Slip on your pink fur coat, bring your rude pictures Put on your teenage head, this is a love thing We all want to kiss the sky Join our club, we're going to try Join our club! (Do you believe in magic?) Do you believe in magic? Do you believe in magic? Do you believe in magic?
