

Lightning Strikes Twice

Saint Etienne

Crazy superstitions on my mind
Could they help me get you back for good?
Such a striking combination, gone away
Could I say that if I knocked on wood

Did I have a chance and fail to keep it?
Lose my dream and let it slip away
Will my destiny remain a secret?
Well that's okay...

Everyone should have a reason to believe
So I still believe
That lightning could strike twice for me, yeah-yeah-yeah
Every time I find the feeling's gone in me
Suddenly I see
That lightning could strike twice for me, yeah-yeah-yeah

Sitting down to read the stars again
Maybe they can tell me what's in store
Now I'm mixing up a magic potion
That's gonna get you banging on my door

Did I have a chance and fail to keep it?
Lose my dream and let it slip away
Will my destiny remain a secret?
Well that's okay...

Everyone should have a reason to believe
So I still believe
That lightning could strike twice for me, yeah-yeah-yeah
Every time I find the feeling's gone in me
Suddenly I see
That lightning could strike twice for me, yeah-yeah-yeah

And I'm working on a saddened song
Oh baby, oh baby
Got a feeling that it won't be long
Oh baby, oh baby

Well don't you know that...

[Chorus]
