

Sadie's Anniversary

Saint Etienne

One year, to the day
Since you put on the night
One year, to the day
That you shut out the light
I made up my mind
I'll never say those words again
No, not to anyone that matters
Small change, in my hand
And the rain on the stair
Some train, over land
I could go anywhere
Stop wasting my time
I'll never say those words again
No, not to anyone that matters
I'll never say the things I said
Now, that you've gone, oh, I'm shattered
I made up my mind
I'll never say those words again
No, not to anyone that matters
I'll never say the things I said
Now, that you've gone, oh, I'm shattered
I know, I've got to get away
Girls got to move along from this town
Now, that you're not around from this town
Oh now, you're not around
