

Thank You

Saint Etienne

I found some time to stop and think it over
And all I know is thank you
I never knew where to begin
Or where it would end
I never knew where to begin
Ooh
I want to be exactly where you're going
The land, the sea, thank you
I never knew where to begin
Or where it would end
I never knew where to begin
Ooh
I never knew where to begin
Or where it would end
I never knew where to begin
Ooh
I never knew where to begin
Or where it would end
I never knew where to begin
Ooh
