

All In One (Multifunctional Mum)

Saint Lu

All alone, in the morning, I'm sipping my chai
All alone, I am yawning, and bracing your tie
All alone, I am pulling the kids outta bed
All alone, Super woman spreading wonder bread

You're a drone, 9 to 5 I am earning for two
Afternoon, Working wife missing "Mad About You"
On the phone, in a briefing, while closing a deal
Then I'm home, in the evening and cooking your meal

Suspecting I'm not ready you say: „Go! Go!”
Just checking: Can you help me? You say: „No, no!”
One day I am gonna stop this family show, and you know

All-in-one, Multifunctional mum
Cause I'm super-duper
And I overcome

All-in-one, Multifunctional mum
Cause I'm super-duper
And I overcome, till I'm overrun

Lazy bone, home invasion, I'm peggin' away
All my loan you are wastin' for fun on ebay
A hand blown, filled with gin watchin' FreeX TV
Wrote a poem, she killed him, family tragedy

I have grown, I've decided enough is enough
Now you moan, unrequited, cause I'm "so tough"
On my own, I am tucking the girls into bed
I am done, no more slogging for a way too old kid

You're gone and I am ready to say: „Go! Go!”
Too long you didn't help me, I say: "No, no!"
One day I am gonna stop this Family show, to be solo

All-in-one, Multifunctional mum
Cause I'm super-duper
And I overcome

All-in-one, Multifunctional mum
Cause I'm super-duper
And I overcome, till I'm overrun, by your lazy bum

You're gone and I am ready to say: „Go! Go!”
Too long you didn't help me, I say: "No, no!"
One day I am gonna stop this Family show, and you know

All-in-one, Multifunctional mum
Cause I'm super-duper
And I overcome

All-in-one, Multifunctional mum
Cause I'm super-duper
And I overcome, till I'm overrun, by your lazy bum
