

All That I Ever Wanted

Saint Lu

With all of my might, girl
I'm wasting my time
I'm dreaming till it's too late
See, all of my life, girl
I'm trying to rhyme

I'm making it right, girl
I'm placing the lines
But singin' them till they fade
Before you say knife, girl
I'm dying to find

The sign I'm waitin' for,
That I got faith in
There'll be someone with a starter's gun
On the tip of my tongue

Tell me is,
All that I ever wanted,
All just a dream?
Just a dream?

Say is,
All that I ever wanted,
All just a dream?
Just a dream?

With all of my might, girl
I stumble in time
Keep making the same mistake
I'm chasing the drive girl
I'm shying to find

The sign I'm waitin' for,
That I got faith in.
There'll be someone with a starter's gun
On the tip of my tongue

Tell me is,
All that I ever wanted,
All just a dream?
Just a dream?

Say is,
All that I ever wanted,
All just a dream?
Just a dream?

Tell me is,
All that I ever wanted,
All just a dream?
Just a dream?

Say is,
All that I ever wanted,
All just a dream?
Just a dream?

Just a dream?
Just a dream?
Just a dream?

Where is the sign I'm waitin' for,
That I got faith in
There'll be someone giving starting shots
Cause I ain't got the guts

Tell me is,
All that I ever wanted,
All just a dream?
Just a dream?

Say is,
All that I ever wanted,
All just a dream?
Just a dream?

Tell me is,
All that I ever wanted,
All just a dream?
Just a dream?

Say is,
All that I ever wanted,
All just a dream?
Just a dream?

Just a dream?
Just a dream?
