

## English Rose

Saint Raymond

No matter where I roam  
I will return to my English rose  
For no bonds, can ever tempt me from she

I've sailed the seven seas  
Flown the whole blue sky  
But I return with haste, to where my love does lie

No matter where I go  
I will come back to my English rose  
For nothing, could ever keep me from she

I've searched the secret mists  
I've climbed the highest peaks  
Caught the wild wind home  
To hear her soft voice speak

No matter where I roam  
I will return to my English rose  
For no bonds, can ever keep me from she

I've been to ancient worlds  
Scourd the whole universe  
Caught the first train home  
To be at her side

No matter where I go  
I will come back to my English rose  
For no bonds could ever keep me from she

No matter where I roam  
I will return to my English rose  
For no bonds could ever tempt me from she
