

# This Town

Saint Raymond

So we're back to the street where  
I see your name  
And oh you're settled now  
I know by this thing called fame

And so we counted with letters  
and spelt with numbers too  
But our town lives on

So we're back to the street where  
I see your face  
And I can honestly say  
I've never introduced a disgrace

Your character like clay so easily breaks  
But our town lives on

You steal our pride  
and you take our hearts  
You kick us down  
yeah you tear me apart  
But you will never know  
what it feels like  
To be alive  
To be alive

So we're back to the street where  
this all began  
And you tried to escape  
so you ran and you ran  
And a thousand times  
Yeah I've seen this all before  
But our town lives on

You steal our pride  
And you take our hearts  
You kick us down  
yeah you tear me apart  
But you will never know  
what it feels like  
Woah- oh oh woah oh oh  
Woah- oh oh woah oh oh  
Woah- oh oh woah oh oh  
Woah- oh oh woah oh oh

You steal our pride  
And you take our hearts  
You kick us down  
yeah you tear me apart  
But you will never know  
what it feels like  
To be alive
