

# Loca People

Sak Noel

All day, all night (8x)

What the fuck!?

When I came to Spain and I saw the people partyin'  
I told to myself: What the fuck!?

All day, all night

All day, all night

Viva la fiesta, viva la noche

Viva los DJ's

I couldn't believe what I was living

So I called my friend Johnny

And I said to him: Johnny,

La gente esta muy loca,

What the fuck!?

Johnny, la gente esta muy loca,

What the fuck!?

When I came to Spain and I saw the people partyin'  
I told to myself: What the fuck!?

All day, all night

All day, all night

Viva la fiesta, viva la noche

Viva los DJ's

What the fuck!?

Viva la fiesta, viva la noche

Viva los DJ's

What the fuck!?

Viva la fiesta [repeat]

Viva la...[repeat]

I couldn't believe what I was living

So I called my friend Johnny

And I said to him: Johnny,

La gente esta muy loca,

What the fuck!?

Johnny, la gente esta muy loca,

What the fuck!?

What the fuck!?
