

# Party On My Level

Sak Noel

Feels like, I just, Touched the sky  
Fire, Burning, Burning High  
Feel the, fire, day and night  
Let's Party!!

Party on my level (Ohh Ohh Ohh)  
Party on my level (Ohh Ohh Ohh)  
Party on my level (Ohh Ohh Ohh)  
Party on my level

It's suicide to be this fucked up  
Ask the bartender for one more cup  
Keep it hard, get real tough  
And party like you can't get enough

Don't really wanna hurt nobody  
But i can't help but be naughty  
I'm gonna wild out wild out  
While i'm up here in this party

Feels like, I just, Touched the sky  
Fire, Burning, Burning High  
Feel the, fire, day and night  
Let's Party!!

Party on my level (Ohh Ohh Ohh)  
Party on my level (Ohh Ohh Ohh)  
Party on my level (Ohh Ohh Ohh)  
Party on my level

Ponte loca, vamos a gozar  
We gon' party like we fucking stars  
Leave the planet, land on mars  
Gonna stay fucked up, till morning comes

Don't really wanna hurt nobody  
But i cant help but be naughty  
I'm gonna wild out wild out  
While i'm up here in this party

Party on my level  
Party on my level  
Party on my level  
Party on my level

Party on my level (Ohh Ohh Ohh)  
Party on my level (Ohh Ohh Ohh)  
Party on my level (Ohh Ohh Ohh)  
Party on my level
