

Twelve Fingers

Salem Al Fakir

Twelve fingers in the cookie jar
They had to stop me 'cause I've gone too far
All they wanted was me to lay down and quit
But if you heard it better be certain that you killed it.

As long as i'm needed i wont give up
When i feel the love you bring i can't stop
As long as you'll be there
I'll stand up stand up stand up stand up for you
(2x)

Twelve fingers in the cookie jar
You cant blame me for shining cause i'm a star
For how long have you planned to hold me back
I almost lost it but now i'm back on track
Hey!

As long as i'm needed i wont give up
When i feel the love i bring i can't stop
As long as you'll be there
I'll stand up stand up stand up stand up for you
(2x)

I keep on going on and on and on and on
I will go on and on and on and on
I will go on and on and on and on and on and on and on and on f
or you!
