

## Eyes To Match A Soul

Salem

Cry out for one soul.  
The only one that could ever hear.  
Only one whose ears are brave enough to listen to the beat of a  
heart.  
I try to find a pair of eyes.  
Eyes to match a soul.  
The sweat meets my tears.  
The salt blinds my eyes.  
You are there I know it.  
I can sense the throbbing pain.  
I catch a glimpse of sparkling eyes.  
Then I see the eyes no more.
