

Slave

Salem

Drop your gods and your primitive religion
Worship our land
Practice diminished
Slaves of the free world
Man made hunger
Bile and vulgar
Kneel

Brave new world
In the shadow of your mysterious death
Slave new world
In the shadow of your mysterious death

Dead man standing
Old man on his knees
Ragged glory
Evil breeds
Strapped by the angels
Freed by hate
Murder spree

Drop your gods and your primitive religion
Worship our land
Practice diminished
Slaves of the free world
Man made hunger
Bile and vulgar
Kneel

Brave new world
In the shadow of your mysterious death
Slave new world
In the shadow of your mysterious death
