

Slow descent towards dependency  
So intent to fulfill the prophecy  
Maternal recession  
Into infancy  
Undividable grip  
Irreversible lock  
Alone I die  
Symbiosis  
Your warm embraces - release me  
Devide me not - erase me  
Ours are sister souls - for we are one  
I am the seed within - devour me  
Make one move  
Just one step  
And I 'm torn apart  
I 'm torn apart  
Slow descent towards dependency  
So intent to fulfill the prophecy  
Maternal recession  
Into infancy  
Undividable grip  
Irreversible lock  
Alone I die  
Symbiosis
