

Hollywood

Saliva

Here I am again
Sitting, watching all these people that I'll never see again
Goodbye to all my friends
I'm leaving this place and I'm never lookin' back again, my friend

'Cause I'm goin' to Hollywood
I'm chasin' my dreams again
'Cause I'm goin' to Hollywood
And I'll never be the same

It keeps turnin' 'round
And everything seems fine and dandy here in Tinseltown for now
What do you make of it
When everybody's doin' drugs and makin' promises like this?

'Cause I'm goin' to Hollywood
I'm chasin' my dreams again
'Cause I'm goin' to Hollywood
And I'll never be the same

'Cause I'm goin' to Hollywood
I'm chasin' my dreams again
'Cause I'm goin' to Hollywood
And I'll never be the same

I'm goin' to Hollywood
I'm chasin' my dreams again
I'm goin' to Hollywood
And I'll never be the same
