

# Hollywood

Saliva

Here I am again  
Sitting, watching all these people that I'll never see again  
Goodbye to all my friends  
I'm leaving this place and I'm never lookin' back again, my friend

'Cause I'm goin' to Hollywood  
I'm chasin' my dreams again  
'Cause I'm goin' to Hollywood  
And I'll never be the same

It keeps turnin' 'round  
And everything seems fine and dandy here in Tinseltown for now  
What do you make of it  
When everybody's doin' drugs and makin' promises like this?

'Cause I'm goin' to Hollywood  
I'm chasin' my dreams again  
'Cause I'm goin' to Hollywood  
And I'll never be the same

'Cause I'm goin' to Hollywood  
I'm chasin' my dreams again  
'Cause I'm goin' to Hollywood  
And I'll never be the same

I'm goin' to Hollywood  
I'm chasin' my dreams again  
I'm goin' to Hollywood  
And I'll never be the same
