I am the master of this game
And everybody knows my name
And I will gladly make you see
That you should not have messed with me

But you have thrown the gauntlet down Only gauntlet, one who wears the crown So I will gladly hunt you down And I'm gonna stomp you into the ground

And you know it's true
I'm just better than you
See the fear that's in your eyes
I'll make you realize

Well, oh, yeah, here we go again Looks like we're on the floor again Hell, yeah, here we go again 'Cause I can't get away

I'll fight forever I won't surrender And I will always Hunt you down Down, down, down

Next time you open your mouth up You better be ready to back it up You better talk to all your friends I bet you won't do this again

'Cause when you chose to raise your hand That's when a boy messed with a man And I will hunt you down, my friend And I'm gonna tear you limb from limb

And you know it's true
I'm just better than you
See the fear that's in your eyes
I'll make you realize

Well, oh, yeah, here we go again Looks like we're on the floor again Hell, yeah, here we go again 'Cause I can't get away

I'll fight forever I won't surrender And I will always Hunt you down

And you know it's true
I'm just better than you
See the fear that's in your eyes
I'll make you realize it

Well, oh, yeah, here we go again

Looks like we're on the floor again Hell, yeah, here we go again 'Cause I can't get away

I'll fight forever I won't surrender And I will always Hunt you down Down, down, down
