I thought this was a perfect love affair. Not like the other ones, not like the other ones. But now I think I see things pretty clear. Just like the other ones, just like the other ones.

But I want you, I need you.

That one that makes me feel alive.

I want you, I need you.

I feel like I've wasted all my time.

I feel like I've died and gone to hell.

Just like the other ones, just like the other ones.

There's no more excuses you can sell.

I hope you had your fun, but I'm not the only one.

But I want you and I need you
That one that makes me feel alive
I want you and I need you
I feel like I wasted all my time,
My time, my time, my time

I want you and I need you
That one that makes me feel alive
I want you and I need you
I feel like I wasted all my time,
(background)
(Fuckin' waste of time)
My time,
(You're a waste of time)
My time,
(You're such a waste of time)
My time,
(You're a fuckin' wasted time)
