

Digging For Gold

Sally Oldfield

With every single step you take
And every single move you make
You're ever chasing dreams and fantasies
Somehow you make yourself believe

Sometimes you feels you found a trace
In someone's words, somebody's face
And you dig deeper for a heart on fire
A burning love, a strong desire
To take you higher and

Over and over the dreams crash
On to the last bash
I'm digging for gold
Over and over the wheels turn
On to the last yearn
I'm digging for gold - digging for gold

You've gone through many dark night
When there were not many stars in sight
You've gotta hold on to the search you're on
You've gotta find the only one
The search goes on and
