

Mandala

Sally Oldfield

Hey man
wake up
there's a full moon shining.
Hey man
too long we've been sleeping
What is it we're really feeling?
Oh
I can feel the mandala

Oh Lord
I can feel the mandala

Oh Lord
I can feel the mandala

Holding you
holding me.

Hey man
I can hear a beautiful thunder.
Hey man
my heart is beating
letting in the wonder
Oh
I can feel the mandala
. . .

Hey man
wake up
there's a full moon shining
. . .
