

## Samurai Of The Sun

Sally Oldfield

You will be afraid, you will  
be afraid,  
You will be afraid of the  
light if your heart is dark,  
Watch the sky, here they  
come, Samurai of the Sun!

Fear hits the Red Zone!  
Encrypt.  
Fear hits the red!  
Watch the sky, here they  
come, Samurai of the Sun

But there's danger in the wind  
But there's danger to my  
heart,  
Its only love, boundless  
love,  
Samurai of the Sun!

Oh the nights so beautiful  
Taking me, my only love,  
You set me free, my  
only love  
(here they come, Samurai  
of the Sun)

Never known a night so  
beautiful  
Oh, my only love, way  
beyond the light,  
(Here they come, Samurai  
of the Sun)

Every cell of my body  
aligns
