Samurai Of The Sun

Sally Oldfield

You will be afraid, you will be afraid, You will be afraid of the light if your heart is dark, Watch the sky, here they come, Samurai of the Sun!

Fear hits the Red Zone! Encrypt. Fear hits the red! Watch the sky, here they come, Samurai of the Sun

But there's danger in the wind But there's danger to my heart, Its only love, boundless love, Samurai of the Sun!

Oh the nights so beautiful Taking me, my only love, You set me free, my only love (here they come, Samurai of the Sun)

Never known a night so beautiful Oh, my only love, way beyond the light, (Here they come, Samurai of the Sun)

Every cell of my body aligns
