

## Song Of The Mountain

Sally Oldfield

I watch on the mountain, no sign of the sun,  
The devil is sleeping tonight,  
Deep in the light of the ancient stars  
I hear a sound like the breaking  
Of thunder from afar  
Ave! sing the singers in my heart.

Ella Kielessa Nyovya lo!  
He ana hell a kieleya niovanya!  
Ella Kielessa Nyovya lo!  
He ana hell a kieleya niovanya!

I watch on the mountain, no sound I hear  
But I feel a warmth like someone near.  
There once was sorrow and the world was cold  
But I hear a sound like the singing  
Of a people born again,  
Ave! sing the voices in the rain.

Ella Kielessa Nyovya lo!  
He ana hell a kieleya niovanya!  
Ella Kielessa Nyovya lo!  
He ana hell a kieleya niovanya!

The breaking of thunder from afar  
Ave! sing the singers in my heart.

Ella Kielessa Nyovya lo!  
He ana hell a kieleya niovanya!  
Ella Kielessa Nyovya lo!  
He ana hell a kieleya niovanya!

Ella Kielessa Nyovya lo!  
He ana hell a kieleya niovanya!  
Ella Kielessa Nyovya lo!  
He ana hell a kieleya niovanya!

Ella Kielessa Nyovya lo!  
He ana hell a kieleya niovanya!  
Ella Kielessa Nyovya lo!  
He ana hell a kieleya niovanya!
