

Deja Vu

Salt-N-Pepa

Light bulbs wash up on the beach
And they lap me up with certainty.
Space jumps sleeping in museums
With stones and skeletons.

I stop looking for patterns,
Cos there's a reason, reason, nothing happens.
This train arrived will never get caught,
In a train wreck of thought.

Baby can't see through
All this matter and make-up and Déjà vu.
Yeah we drift here alone with nothing to do,
Until one of us makes the other one come true.

Cause and effect, whatever you say.
I'm only half believing anyway.
I'll be the luckiest man in the universe,
If cause and effect doesn't get there first.

Baby can't see through
All this matter and make-up and Déjà vu.
Yeah we drift here alone with nothing to do,
Until one of us makes the other one come true.

She said these questions
Don't answer questions
Like other ones do.
So just let me be here with you
