

# Sexy Noises Turn Me On

Salt-N-Pepa

Sexy noises turn me on and on  
Talk to me and you can't go wrong  
I love the sound of your voice when you make love to me  
And you caress my lips with your tongue

Love it when you whisper down my ears (oooo, baby)  
Love it when you breathin' down me face (oooo, baby)  
Love it when you rub down me spine (oooo, baby)  
Love it when we drink white wine (oooo, baby)

Sexy noises (talk to me) really turn me on (tell it to me, baby)  
Sexy noises (talk to me) really do turn me on (tell it to me, baby)  
Sexy noises (talk to me) really turn me on (tell it to me, baby)  
Sexy noises (talk to me) really do turn me on (tell it to me, baby)

Now tell me, baby, how many hints must I make before you get the picture  
That I like it when you talk to me? You say it loud what you say  
Don't shy away, say it to my face, talk sweet to me  
Go up and down and go round and do all that  
But don't forget that I'm a sister with a thing for the sound  
So make a sexy noise when you're on your way down  
Yeah, all the way down

Sexy noises (talk to me) really turn me on  
(I love it when you talk to me)  
Sexy noises (talk to me) really do turn me on  
(I love it when you talk to me)

Do anything you like, and do it just how you like it  
But when you feel you wanna scream, baby, don't fight it  
Cuz everytime I hear the noise comin' from your lips  
You're gonna feel the rotation in my hips  
Cuz it's that sexy noise that moves me  
And don't stop the lyrics if you don't wanna lose me  
Because I wanna know, lover, if I'm doin' it well  
But if you don't yell, brother, how can I tell?

Sexy noises turn me on and on  
Talk to me and you can't go wrong  
I love the sound of your voice when you make love to me  
And you caress my lips with your tongue

Now Missy Pepa say she wanna have fun  
She comin' down me house and ??  
I love it when she caress me ears with her tongue  
Cannot find words to tell her "Oh, me have fun"  
And everytime she touch me and she start rub me down  
It drive the body crazy when she make sexy sound - like that!
