

# As One

Sam Brown

There's a child  
In my heart  
Feel it beat  
Hear it speak  
Hold me  
Hold me

There's a light  
In his eyes  
I can see  
Deep inside  
Hold me  
Hold me

See the way he smiles at me  
See him talking silently of love  
We are one  
All fear is gone
