Breathe In Life

Sam Brown

Breathe in life
Live the feeling
Feel the warmth inside

Throw your face back in the wind
Feel the fresh air on your skin
Stretch out your arms behind you
Feel the warmth inside

Try, it's so easy

Breathe in life
Live the feeling
Feel the warmth inside

Like great big arms around you
Hold you closely, bring you home
Before you know it
You can feel the warmth inside
Try, it's so easy

Breathe in life
Live the feeling
Feel the warmth inside

Breathe...breathe...breathe...breathe...

Breathe in life
Live the feeling
Feel the warmth inside

Breathe in life
Got to live the feeling
Feel the warmth inside

Breathe...feel the warmth inside
