

# All the Way

Sam Cooke

when somebody loves you  
its no good unless he loves you  
all the way  
happy to be near you  
when you need someone to cheer you  
all the way  
taller than the tallest tree is  
know thats how it s gotta feel  
deeper than the deep blue see is  
that how deep it goes if it is real, baby

when somebody needs you its no good  
unless he needs you  
all the way  
through all the good and lean years  
and all the in between years  
come what may  
how knows where the road will lead us  
and only a fool would say  
but if you let me love you  
its for sure I am gonna love you  
all the way  
all the way

who knows where the road will lead us  
only a fool would say

but if you let me love you  
its for sure I am gonna love you  
all the way
