

# Come and Go to That Land

Sam Cooke

Well come and go  
come and go now  
come and go now, where I'm bound  
come and go come and go now  
come and go Lord, where I'm bound  
where I'm bound

I have a brother in that land,  
promise I will save  
I'm a solemn believer in that land  
In that land, oh Lord, where I'm bound

O, Come and go to that land, oh Lord, now  
where I'm bound  
come and go, come and go now  
let us go now, where I'm bound

You find peace, find find peace now where I'm bound  
find peace, find peace now, find peace now where I'm bound

Hear the voice, Jesus is calling,  
oh I see, did it sound  
All your trying will be over,  
in that land where I'm bound

Come and go Lord come and go now where I'm bound  
You find joy, find joy now  
where I'm bound  
joy, joy joy, joy  
you found joy now where I'm bound

Keep on working on your building  
If you want your starry crown  
selling will make your burden lighter

joy, joy joy, joy now  
where I'm bound  
joy, joy joy, joy  
where I'm bound
