

Come and Go to That Land

Sam Cooke

Well come and go
come and go now
come and go now, where I'm bound
come and go come and go now
come and go Lord, where I'm bound
where I'm bound

I have a brother in that land,
promise I will save
I'm a solemn believer in that land
In that land, oh Lord, where I'm bound

O, Come and go to that land, oh Lord, now
where I'm bound
come and go, come and go now
let us go now, where I'm bound

You find peace, find find peace now where I'm bound
find peace, find peace now, find peace now where I'm bound

Hear the voice, Jesus is calling,
oh I see, did it sound
All your trying will be over,
in that land where I'm bound

Come and go Lord come and go now where I'm bound
You find joy, find joy now
where I'm bound
joy, joy joy, joy
you found joy now where I'm bound

Keep on working on your building
If you want your starry crown
selling will make your burden lighter

joy, joy joy, joy now
where I'm bound
joy, joy joy, joy
where I'm bound
