

# Good Morning Heartache

Sam Cooke

Good morning heartache  
you ole gloomy sight  
Good morning heartache  
thought we said goodbye last night  
I turned and tossed until it seemed you were gone  
Now here you are with the dawn  
Wish I'd forget you but you're here to stay  
It seems I met you when my love went away  
Now everyday I start by daying to you  
Good morning heartache, what's new

Stop haunting me now  
can't shake you, know how  
just leave me alone  
I've got the Monday blues  
straight through Sunday blues

Good morning heartache  
Here we go again  
Good morning heartache  
you're the one who knew me when  
Might as well get used to you hanging around  
Good morning heartache, sit down
