I'll Come Running Back to You

Sam Cooke

Folks say that you've found someone new To do the things I used to do for you Just call my name, I'm not ashamed I'll come running back to you

Can't sleep at night, I can't eat a bite When you were mine I didn't treat you right Just call my name, I'm not ashamed I'l come running back to you

Just like a king, I've lost everything I sit all alone on my throne I've got my pride, but deep down inside I'm yours and yours alone

I try to forget, have no regrets This love of ours could always start anew Just call my name, I know I'm not ashamed I'll come running back to you

Just like a king I've lost everything I sit all alone on my throne I've got my pride, but deep down inside I'm yours and yours alone

I try to forget, have no regrets This love of ours could always start anew Just call my name I know, I know, I know I'm not ashamed I'll come running back to you.
