

# If I Had You

Sam Cooke

If I had you honey  
I'd be happy  
If I had you  
how happy I would be

If I had you, sweetheart  
I'd be so happy  
how I wish you'd belong to me  
If I had you  
I know I have riches  
If I had you  
how rich I would be  
If I had you, baby  
I have so many riches  
how I wish you belong to me

Baby, baby  
don't you hear me calling  
If I had you I know  
I'd be happy  
If I had you, baby  
how happy I would be  
If I had you  
I'd be so happy  
how I wish you belong to me  
how happy I would be  
if you belong to me
