Keep Movin' On

Sam Cooke

Keep movin' on, keep movin' on Life is this way Keep movin' on, keep movin' on Everyday When I go to sleep at night I add up my day Trying to recall the things I done And debts I have to pay For there is one thing that I know What you reap is what you sow Keep movin' on, keep movin' on Life is this way Keep movin' on, keep movin' on Everyday Brother, mind what you do And how you treat your fellow man If you're like me, you'd try to live The very best you can For if you spread good all around You'd be able to sleep when the sun goes down Keep movin' on, keep movin' on Life is this way Keep movin' on, keep movin' on Everyday
