

Tennessee Waltz

Sam Cooke

Well I was dancing with my baby
To that Tennessee Waltz
When an old friend I happened I happened to see
Oh yeah
I introduced him to my baby
and while they were dancing
That friend stole my sweetheart away from me
Oh yes he did

but I remember the night
and that beautiful Tennessee Waltz
Only you know how much I have lost
oh yeah
You know that I lost my lost my baby
That night they kept on playing
That beautiful Tennessee Waltz

Oh yeah.

Well I was dancing with my baby
To that Tenne- Tennessee Waltz
When an old friend I happened I happened to see
Oh yeah
I introduced him to my baby
and while they were dancing
that dirty dog stole my baby away from me
Oh yes he did

but I remember the night
and that beautiful Tennessee Waltz
Only you know just how much how much I have lost
oh yeah
You know that I lost my lost my baby
That night they kept on playing
That beautiful
that wonderful
That marvelous
That glorious
That beautiful
Tennessee Waltz
