

# That's It, I Quit, I'm Moving On

Sam Cooke

When we used to say goodnight  
I'd always kiss and hold you tight  
But lately you don't seem to care  
You close the door and leave me  
Standing there. oh honey that's not fair  
That's it! I quit! I'm moving on.

Yeah. The other night we had a date  
And you showed up two hours late  
And though your hair was all in place  
Somebody smeared the lipstick on your face  
Oh they smeared it everyplace. Yeah.  
That's it! I quit! I'm moving on. Aw

You made me want you  
You made me need you  
You made me tumble and fall but  
If I can't have you the way I want you  
I don't want you at all yeah!

Baby I can take a lot  
cause I love everything you got  
You know your kisses thrill me so  
But if you've got someone else  
I've gotta go aw and that you know

That's it honey I quit I'm moving on  
Yeah now!

You made me want you  
You made me need you  
You made me tumble and fall but  
If I can't have you the way I want you  
Then I don't want you at all yeah!

Baby I can take a lot  
cause I love everything you got  
You know your kisses thrill me so  
But if you've got someone else  
I've gotta go aw and that you know

That's it Baby I quit I'm moving on  
And one more time  
That's it Honey I quit I'm moving on

mmmm I'm moving on  
you done me wrong so I'm moving on.
