

# That's Where It's At

Sam Cooke

Lights turned way down low  
& music soft & slow  
With someone you love so  
That's where it's at, yeah

Your world turned upside down  
You're making not a sound  
No one else around  
That's where it's at, yeah

Let me tell you  
Your heart beatin' fast  
You're knowin' that time will pass  
But a-hopin' that it lasts  
That's where it's at, oh yeah

That's where it's at, pretty baby  
That's where it's at, oh yes it is  
That's where it's at, pretty baby  
That's where it's at, oh yeah

Let me tell you just one thing  
To say it's time to go  
& she says "Yes I know"  
But just stay one minute more  
That's where it's at

Oh let me say it one more time  
That's where it's at, pretty baby  
That's where it's at, I know that's where it's at  
That's where it's at, pretty baby  
That's where it's at
