

## The Japanese Farewell Song

Sam Cooke

The time has come for us to say sayonara  
my heart will always be yours for eternity  
I knew some time we'd have to say sayonara  
please promise that you'll be returning someday to me

I'll remember our romance until the day that I die  
I'll see your face in the moon and stars in the sky  
so, hold me close before you say sayonara  
and promise that you'll always keep me near to your heart

I'll remember our romance until the day that I die  
I'll see your face in the moon and stars in the sky  
so, hold me close before you say sayonara  
and promise that you'll always keep me near to your heart  
always keep me near to your heart
